

Dear Academic Partner,

Greetings from Wipro!!

At the onset, we would like to acknowledge the highly successful and mutually beneficial hiring seasons so far. We are very pleased to announce the commencement of our WIMS hiring season and have a few updates for you in this regard as mentioned below.

### Overview on Wipro Infrastructure Management School (WIMS):

**Wipro Infrastructure Management School (WIMS)**, one of the Work integrated Learning Programs offered by Wipro, aims at preparing **fresh BCA and B.Sc. graduates for IT infrastructure Management services**. It is an effort where training in Information Technology/System Engineering is offered to the students with practical exposure to the Infrastructure Management Service industry. These programs register every student for an 8 semester Wipro sponsored M. Tech course with one of the Top Universities. Candidates will get to work on live projects and earn a monthly stipend. Upon successful completion of the **M. Tech program in four years, the students will be absorbed as full time employees of Wipro.**

This is an excellent opportunity of getting associated with Wipro to elevate the standard of education as well as corporate experience. Our weekend programs have been designed such that our students can acquire the relevant hands-on work experience, while developing a detailed understanding of the IT industry.
